From Father Kasel

Praised be Jesus Christ through Mary!

Dear Brothers and Sisters in Christ Jesus,

Recently, I read an account of a Eucharistic Miracle that took place in Buenos Aires, Argentina in 1996. It is an amazing miracle to learn about. I encourage you to learn more about this Eucharistic Miracle more about the many that have taken place throughout the world. One resource that I have found helpful is this website: www.therealpresence.org

Here is an article from www.cathnews.co.nz:

"An account of a Eucharistic miracle in Buenos Aires, involving Cardinal Jorge Bergoglio - now Pope Francis - has been published in a Polish-based magazine.

The article says a priest in the commercial centre of Buenos Aires was finishing distributing Communion at Mass in 1996 when a woman told him she had found a discarded host on a candleholder at the back of the church.

The priest placed the host in a container of water and put it in the tabernacle. A week later he discovered that the host had turned into a bloody substance.

According to the 2010 article by Father M. Piotrowski in *Love One Another* magazine, the priest informed Cardinal Bergoglio, who had the host professionally photographed.

For several years the host remained in secret in the tabernacle, then the cardinal decided to have it scientifically analyzed in New York by a team of scientists who did not know its origin.

One of the scientists, Dr Frederic Zugiba, a cardiologist and forensic pathologist, determined that the substance was a fragment of heart muscle containing human DNA.

He said the presence of a large number of white blood cells indicated that the heart was alive when the sample was taken.

"What is more," he said, "these white blood cells had penetrated the tissue, which further indicates that the heart had been under severe stress, as if the owner had been beaten severely about the chest."

The tests were witnessed by two Australians, journalist Mike Willesee and lawyer Ron Tesoriero. Willesee, formerly a leading television journalist, had been brought back to his Catholic faith through filming a woman with stigmata and documenting Eucharistic miracles.

When Willesee told Dr Zugiba that the analyzed sample came from a consecrated host, the doctor said: "How and why a consecrated host would change its character and become living human flesh and blood will remain an inexplicable mystery to science - a mystery totally beyond her competence."

Through the intercession of Mary, the our Lady of the Eucharist, St. Joseph, St. Michael and St. Paul, may we grow in our love and devotion to our Lord's True Presence in the Holy Eucharist! In Christ through Mary,

Fr. Kasel

PRO LIFE QUOTES

I feel the greatest destroyer of peace today is 'Abortion', because it is a war against the child... A direct killing of the innocent child, 'Murder' by the mother herself... And if we can accept that a mother can kill even her own child, how can we tell other people not to kill one another? How do we persuade a woman not to have an abortion? As always, we must persuade her with love... And we remind ourselves that love means to be willing to give until it hurts...

7 SECRETS OF CONFESSION By: Vinny Flynn

In this inspiring presentation, popular speaker Vinny Flynn explores the "hidden" truths of the Sacrament of Reconciliation, presenting what to many will be a whole new way of approaching Confession, inviting you to begin an exciting personal journey to healing and holiness. If you do not yet look forward to Confession in the same way you look forward to Communion, this will change your life.

Prayer of St. Teresa of Calcutta

DEAR JESUS, help me to spread Thy fragrance everywhere I go. Flood my soul with Thy spirit and love. Penetrate and possess my whole being so utterly that all my life may only be a radiance of Thine. Shine through me and be so in me that every soul I come in contact with may feel Thy presence in my soul. Let them look up and see no longer me but only Jesus. Stay with me and then I shall begin to shine as you shine, so to shine as to be a light to others.
